December 17, 2019

Sole Distributor

Please be informed that effective December 17th 2019, OQEMA AG, has been appointed in Belgium, Luxemburg, The Netherlands, Czech Republic, Poland and Slovakia as sole distributor for the distribution of Dequest® phosphonates, Dequest® FS, Turpinal® grades, Bellasol®, Belclene®, Belsperse®, and Dequest® P and PB Polymers, BromiCide® Biocide, Belcor® and Bricorr® Corrosion Inhibitors, Reverse Osmosis (ready to use formulation private label) Qualifloc® Flocculants, Qualifloc® AF Flocculants, Qualipol® grades, manufactured and marketed by Italmatch Group.

In order to succeed in being agile and serve efficiently the size of the market demand we are convinced that Oqema, with its organization, will answer to the market needs and provide reactivity.

Oqema Group will actively contact the customers by a sales representative in the near future. They will be able to answer any questions which might come up regarding Products and local assistance.

Kind Regards,

Mark Eyers
